

This Sunday at Riverside

Josh will be continuing his series on Rest, focussing on Sabbath and the importance of using Sabbath as a defence against the busyness and restlessness of this world. He will be using Matthew 12:43 and Mark 2:27 so take time to read in advance to prepare your hearts.

Next Sunday at Riverside

Next Sunday we will all be at Sandy Creek for the Hope Cup. Our service will be at 9am in the long house (where we were last year). This will be a time of worship, prayer and a short word from Josh. Please be there to consecrate the whole day to the Lord and ask for his blessing and protection on all we do.

Our Chance to Shine

Next Sunday is the Hope Cup at Sandy Creek and the one Sunday we take ourselves out beyond the building and into the community. We of course will be having a short service at 9am in the long house and I encourage you all to be there for that. The sound of our worship last year really carried beyond the walls and I know got a few people interested in what we were doing so please make sure you are there to encourage as many as possible to come in and share with us and listen to God's word.

The other thing I am going to ask you to do is wear your Riverside badges if you have them

Why you ask?

Well as members of the body of Christ we are meant to be salt and light to our community. You just have no idea what God may be planning on that day and I want everyone to be available to shine brightly for Jesus.

It maybe possible you might be asked to serve in a small way, even for a few moments, and I would love people to see our commitment to them and the cause.

People might have questions about why Riverside is involved in the Hope Cup and you may be asked about the Church and why you belong.

People may even want a more heartfelt conversation about faith. Last year that happened due to awful news of the police officers who were fatally shot and the Police Commissioner who lost his son at 'Schoolies'. Prayers were prayed with people who would never of normally asked for prayer and comfort.

All I am asking is for you to be available to be part of whatever the Holy Spirit is orchestrating this year. Even better start praying that you would have opportunities to shine for Jesus and even get the chance to invite someone to 'come and see'. I know we are raising funds for our projects but as always our primary objective is to see people come to know Jesus as Lord and Saviour. So please be available for duty as we head out on active service for the Kingdom.

Riverside Walk Step 9—Who is the Holy Spirit?

The penultimate step in the Riverside Walk 2024 will be on November 24th at 4:30pm. This session will involve watching three films and therefore the session will be a little longer. Please sign up on the sheet in the Church Foyer.

Foundations Pathway

Many of you know that Darren has been preaching about spiritual growth and discipleship over the last few weeks. Please be honest with yourself and ask yourself if you need a refresher on your Christian Foundations. Maybe when you became a Christian no one really supported you and discipled you and you feel like you've never grown beyond being a spiritual infant. If that is the case this foundations Pathway is for you. Sign up on the sheet on the information table and we'll be in contact.

Hope Cup 2024—7 days and counting

Well done to Kelly Magin, one of the Riverside All-Stars cricket team this year, who organized the Hope Cup Schnitzel night at The Gawler Arms. She raised \$485 from Schnitzel sales and gained an additional \$145 from cash and on-line donations taking her total to \$630. It was a great night and I'm so pleased it was so well supported by people in the church. Please make sure you do all you can to be there next Sunday and invite as many people as you can to come along.

Help

Is there anyone who knows anyone who would be willing to be a scorer at the Hope Cup next week. They will need to have experience in cricket scoring? If you do, please let Darren know ASAP.

Sabbath as Resistance

- Q1 *What are the things that you find hard to switch off from?*
- Q2 *What does it mean to be restless?*
- Q3. *Why do you think we as people can become restless? What does it feel like and look like?*

Read Matthew 12:43

- Q4. *What can we conclude about evil spirits and restlessness?*

Read Mark 2:27

- Q5. *What is Jesus' relationship with rest and the Sabbath?*

There are four elements to a Sabbath. Sabbath is resistance against the busyness and restlessness of this world. It is not easy to enter, but with time, it can become the grounding in our week.

Stop – What do you need to stop doing and thinking about?

Rest – How will you rest?

Delight – What makes this the best day of the week? What will you do?

Worship – How will you worship?
