

## Francis Update

Dear friends, Peta, Rose and Ursula will be returning to Adelaide on Tuesday evening. We have been able to provide them with flights which avoided them having to drive back, which as you can imagine would have been a difficult journey for them all. Verena kindly offered to fly across to Lismore and with a friend is currently driving the family car back to Adelaide. Please keep her in your prayers as they complete the second full day of driving today. They should arrive back in Gawler at 7pm this evening.

We do not as yet have a date for the funeral but will of course be keeping you all informed as details become available.

The family have produced red T-shirts (Francis' favourite colour) with a picture of Francis on it. This is something of a Samoan tradition I believe, if anyone wants one please let Darren know with your size.

## Next Sunday at Riverside

Next Sunday Darren will continue our deep dive into the book of Ephesians, please read at least chapter 1 as preparation for next Sunday.
