

This Sunday at Riverside

This week, Darren will continue to look at Ephesians 4 and 5 as we consider exactly what it means to be living in the light.

I have been asked by National Headquarters to let you all know that WWG (Work Wear Group) have taken over the supply of all Salvation Army branded clothing - uniforms and workwear. This was to ensure that all clothing was produced ethically and sustainably and aligned with the Christian values of the movement.

You can access the branded clothing range by googling 'VolHQ Toolkit' or by following this QR code and completing the registration link. Once you have completed your form you will receive an email or mobile phone link providing you with access to order your clothing.

If you already have a Salvos email address navigate to <https://wwgonline.com.au> or follow this QR Code

Membership Sunday 2nd November

Dear friends please do your best to be at Church on the 2nd of November as we celebrate new members and support those being baptised. If you want to be baptised on that day please talk to Darren. The baptisms will be after the main service at approximately 11:45am so the Splash families can join in the celebration. This will be followed by a sausage sizzle for everyone on the grounds. If you would like to volunteer to help with the sizzle please let Darren or Josh know.

Hope Cup - Volunteer Sign up Sheets

We are starting to get our plans together for the volunteering at The Hope Cup on

Sunday 16th November. As this is a major undertaking for us as a Church we need to pull together as much as possible. Please see the sign up sheets in the foyer to put your name down to support the cause.

Gawler Christmas Parade - Saturday 29th November

We had a lot of fun last year representing Riverside at The Gawler Christmas Parade, and frighteningly enough Christmas is really not that far away. If you or your children would like to take part in the parade, please put your name down on the sign up sheet and we'll make sure you are involved.

We are also looking for a few people to put their craftsman gifts into action. Shane is looking for some people to help construct and paint a new structure for the float for the puppets. If you have any plywood or other materials that might help, please call Shane on 0423 858 084 or talk to Darren.

Shout Youth

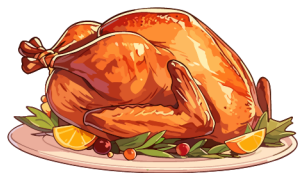

Shout Youth is back on Friday nights during the school term, 7pm-9pm. The group is a safe place where young people in High school years 7-12 are free to belong and have fun while sharing our faith and love for God and the difference He is making in our lives and our community. See the term flyer for more details or call Kim on 0452 201 271 for more info.

Cleaning Support

Friends of Riverside, we are needing volunteers to help with the Church cleaning while Heather takes a well deserved holiday break. If you can give a morning, or evening during the period from 28th October to 8th November, please put your name on the list or see one of the team for more information. Thank you

Christmas Day Meal

We would love to be able to bless our community by providing a Christmas Day Meal for those who are on the street or on their own again this year. We are looking for a dedicated volunteer to take on the task and a team of volunteers to support them. If you feel called to be a part of this outreach, please see Josh, Darren or a member of the leadership team. Thank you.

Sermon by

Read Ephesians 5:10-12

Q1. Paul instructs us in Ephesians 5:15 to be careful how we live? What is the craziest risk you have ever taken, and how did it end up?

Q2. Paul says that if we take risks with our behaviour, most pertinently by not being in control of our anger, we give the devil a foothold. What do think Paul means by this?

Q3. In his sermon Darren said there is such a thing as righteous anger but only God is righteous enough to handle it. What do you think Darren meant by this?

Q4. All the negative behaviours outlined in Ephesians 4:17-32 and 5:1-13 impact relationships. Go through each one in turn and discuss what consequences each have in the body of Christ (the church).

In Ephesians 5:16 Paul says we are living in evil days. Another way of translating this is that 'days are our enemy'. They pass by so quickly and as we get older the just seem to accelerate. Paul tells us to take every opportunity to live well for Christ because if we continue in our bad behaviour precious time for evangelism, service and ministry etc. will be tied up with regrets, hurt, healing and recovery and that takes time.

Q5. Paul tells us not to be thoughtless in verse 17. Being thoughtless means we are living life on our instincts and appetites. It is only when we start to carefully consider our behaviour that we can rise above our basic urges and live for Jesus. How thoughtless are you about how you live?

Q6. If one part of the body is rejoicing the whole body of Christ rejoices, if one part is hurting the whole body of Christ hurts too. If one part of the body of Christ is sinning the light and warmth of the whole body is diminished and cast into shade. Do you believe this and if so how careful are you living your life?
