

This Sunday at Riverside

Today Jonathan will be preaching from the stories of Jesus turning water into wine and blind Bartimaeus! His focus will be on 'missing out'. We really don't want to be people who miss out on what God can do.

Next Sunday at Riverside

Next Sunday Josh Sanders will be revisiting the Sabbath. Time to check in how everyone is going and a reminder that it should be a regular practice. Read Psalm 23.

Our Sincere Thanks

I am very sad to let you all know that our café manger, Nicole Thain, will be leaving us to start a new job on the 19th of July.

Whilst we are very sad and will miss her dearly, we recognise that this is the right move for her. The commute from the inner suburbs has been tough on Nicole and her new employment will enable her to be a lot closer to home and to her daughter's school.

Nicole has done so much to make the Riverside café what it is today; developing a menu that suits all our visitors, making the bulk meals for emergency relief, providing catering for Riverside groups, catering for larger church events such as weddings and funerals, bringing the café into compliance with all health and food safe legislation, training up staff and volunteers and being a great team leader and mentor to the youngsters from Compass Christian College.

I hope you will join me in praying that Nicole will know God's blessing into the future. If you are in the building when she is working please let her know personally how grateful we are for all her hard work.

We are planning to get her a gift before she leaves so if you have benefitted from Nicole's extraordinary culinary skills and want to contribute financially towards a gift please let Kate or Josh know ASAP.

Please also pray for our existing café staff, Juliana and Mary who will be holding the fort until we can replace Nicole. If you are free to volunteer in the café for one or two days a week we would love to hear from you. The café has a unique and important ministry here at Riverside and we really do need a few more committed people to make it run really smoothly.

Touch Point

1. Think of a situation where you have been oblivious to something amazing or surprising happening around you. How and when did you become aware of what was happening?
Read John 2:1-11
2. How many people would have known what Jesus had done at the wedding? What do you think it means in verse 11 that it “was the first time Jesus revealed His glory”?
Read Mark 10:46-52
3. What is the difference between referring to Jesus as “Jesus of Nazareth” or referring to Him as “Jesus, Son of David”?
Look at **2 Samuel 7:1-16** and **Luke 1:26-38** to help with thoughts about the Son of David. How do you think Bartimaeus knew to refer to Jesus as the Son of David?
4. Why do you think Jesus asked so many questions of people? Can you think of some examples in the Gospels? What was Jesus trying to do in the examples which you have found?
5. If Jesus asked you, What is on your heart? How would you answer Him? Would He find you puzzled, confident, angry, sad, happy? How do you know what is on your heart? What do you think Jesus would want to find in your heart? If He was to set up home in your heart, would He be comfortable?
6. In **Luke 24:13-32**, Jesus showed the two disciples on the road to Emmaus, in all the Scriptures, the things concerning Himself. Can you think of any stories from the Old Testament that are a picture of Jesus or point to the coming of Jesus? For a few examples read **Numbers 21** and compare to **John 3:14-16**; read **Isaiah 61:1-3** and compare to **Luke 4:14-21**; read **Leviticus 16:1-19** and compare to **John 1:28-30**. Can you think of other examples?
7. In **Luke 24:32**, the 2 disciples said, “Didn’t our hearts burn within us as He talked with us on the road and explained the Scriptures to us?” What do you think it meant for their hearts to burn within them?
Is that something you’ve felt before in your relationship with Jesus? What do you think you would need to change or do again, in order to experience it again?
